Gateway to The Bahamas

Bimini Shipping provides cargo handling, storage and transportation services for all types of cargo between South Florida and the islands of the Bahamas. Founded in 1997, the company owns and operates a cargo and container terminal on the Miami River located only minutes from the Miami International Airport and major expressways. The terminal spans an area of 3.5 acres with 75,000 square feet of warehousing and 700 linear feet of bulkhead. Bimini Shipping operates three Roll-On, Roll-Off (Ro-Ro) cargo vessels including the Sea Spirit II (182 ft, 540 Gross Tonnes), the Island Breeze (162 ft, 371 Gross Tonnes), and the Bimini Cat (121 ft, 187 Gross Tonnes).

Bimini Shipping provides seamless support for our customers' shipping and logistics needs. Our professional warehouse staff provides personalized service to our customers, helping them unload their vehicles, stack and wrap pallets, consolidating cargo, and prepare all necessary agency documentation for customs clearance and export. Specialized or custom logistical services are also available to our customers.

The owners of Bimini Shipping, with a comprehensive background in construction and logistics throughout the Bahamas, understand the challenge of effectively executing projects and business activities in the islands. We are therefore committed to providing the highest level of shipping and logistical service in every aspect of our business. **We understand that if our customers succeed, we all succeed together.**
